PROFESSIONAL EXPERIENCE

Amanda is a highly experienced Property Manager, boasting over two decades of experience in the property management field. Prior to joining Compass Commercial in 2023, she was a partner and the office manager at High Desert Property Management in Redmond, OR.

As a Property Manager, Amanda works closely with tenants and owners to provide CAM reconciliations, prepare annual budgets, coordinate property inspections, and schedule maintenance work orders with vendors and tenants. She manages a diverse portfolio of commercial properties throughout Central Oregon.

Amanda quickly rose through the ranks in Property Management, earning a well-deserved promotion to Property Manager within her first year at Compass Commercial. Her proven track record makes her an indispensable asset to the team.

COMMUNITY INVOLVEMENT & INTERESTS

Amanda dedicates a significant portion of her time to supporting Bend High School as the President of the Boosters Club, where she assists with planning the 2024 grad party, budgeting and other fundraising efforts. Collaborating closely with the school staff, Amanda supports student clubs and the indoor and outdoor concession stand at sporting events.

When she's not working or volunteering, Amanda enjoys camping, hiking and traveling with her family. She became proficient in Spanish and developed a love for travel at an early age while she was an exchange student in Spain. She is excited for other students to travel, pursue their dreams and experience opportunities outside the standard classroom setting.
